EXPERIENCE

IT Support Technician

Streetwise Media Services   *April 2023 - March 2024*

- Installed, configured, and maintained software applications, including productivity suites and operating systems (Windows, macOS, Linux).
- Provided troubleshooting and remote support for software-related issues.
- Managed database systems, performed backups, and ensured system security through updates and patch management.
- Effectively communicated software solutions to users and documented processes for future support.

IT Support Intern

National Housing Corporation   *June 2022 - October 2023*

- Managed database systems and performed routine administration tasks.
- Ensured timely updates and security patches to enhance system performance.

Student Trainee

Infoage Concern   March 2018 - October 2021

- Supported senior staff with special assignments, including educating the public on online safety through training and seminars.
